## ENSEMBLE YOUR OWN LIVING ROOM

Many's the time you've seen a two-piece suite in which the sofa was just exactly what you wanted . . . but the chair with it wouldn't do at all . . . or maybe you liked the chair and

not the sofa. And invariably, like bread-and-butter and salt-and-pepper, they came in pairs and you couldn't get the one without the other. Not so here . . . we give you a choice of sofas and a choice of chairs . . . pick out any sofa and any two chairs (one with a high back, one with a low or both the same if you prefer). All basically 18th Century pieces that really "go-together," so no matter what your choice, it's bound to be in excellent taste.

# A SOFA AND ANY TWO CHAIRS

- A. Chippendale Barrel Chair in natural, wood-rose or blue cotton tapestry.  
B. Grip-Arm Sofa with moulded base, wine or blue figured cotton tapestry.  
C. Duncan Phyfe Sofa with solid Honduras Mahogany frame, red, blue or black cotton tapestry.

What makes this such a staggering value in our Half-Yearly Sale? First, it's the number of pieces you get. Ordinarily you pay \$119.95 for a sofa and one chair . . . but NOW you pay \$119.95 for a sofa and TWO chairs. Second, the construction. The moss and soft-combed cotton that's used for filling. The resilient spring cushions that you can use on either side. The super-sagless bottoms which keep their own level even after constant use. And thirdly, the choice of pieces, colors and fabrics. Purchased separately, Sofas are \$59.95, Chairs \$30.
